

American Saddlebred Registry Rules and Regulations

As effective January 19, 2019

Rules and Regulations for the Registration and Transfer of the American Saddlebred Horse and Hearings, Violations and Penalties.

SECTION III. REGISTRATION

H. NAMES

1. Each animal for which Application for Registration is made must be given an acceptable name which does not conflict with the name of any other animal registered with the Registry, living or dead and which is approved by the Registry. A conflicting name is one which is judged to be too similar to an existing name either in spelling or pronunciation, e.g., Black Knight/ Black Night. Adding "A", "An" or "The" to an existing name (effective 7/9/12) or removing "A", "An" or "The" from an existing name (effective 11/1/14) is judged to be too similar. The Registry may consider waiving this requirement for horses with the same or similar names with a foaling date of 40 years or more prior that do not have registered progeny and are not Saddlebred Record (CH), Broodmare Hall of Fame, World Champion or Reserve World Champion horses.
2. The name may not exceed 35 characters, including letters, spaces and punctuation.
3. It is recommended that three name choices be provided on the application in order of owner's preference.
4. The Registry reserves the right to accept or reject any or all of the names submitted, whether for reasons of conflict or good taste, and also reserves the right to correct obvious misspellings.
5. The following are not allowed as part of a horse's name:
 - a. Numerical prefixes or suffixes: Numerals;
 - b. "Jr." and "Sr." as suffixes;
 - c. Diacritical marks;
 - d. Punctuation marks as prefixes;

- e. Initials added as a prefix or suffix to a name already in use, e.g. Wing Commander G.G.
6. Any available name may be reserved with the Registry and will be reserved for a period of twelve (12) months. A fee will be assessed for each name reservation. See Section XI. regarding Fees.

SECTION XI. FEES

Name Reservation (for 12 months) \$50.00

SECTION IV. CERTIFICATE CHANGES & REPLACEMENTS

A. CHANGE OF NAME

The name of a registered horse may be changed four times during the lifetime of that horse provided that: (See Note below)

1. No foals have been registered from the horse in question, whether it be a mare or a stallion.
2. The horse has not been designated as a Saddlebred Record Champion.
3. If the horse's name includes a registered farm name, written permission from the owner(s) or authorized agent(s) of the farm is required to remove a registered farm name as a prefix from the horse's registered name. Otherwise the horse's name may be changed but the registered farm name will remain as a prefix as part of the name. See Section IX. Registered Farm Names.

Note: If a horse has had a name change, subsequent owners may reregister the horse by either name, subject to above limitations. The original Certificate of Registration must be submitted along with the name change request and correct fee. The old certificate will be cancelled and retained by the Registry and a new certificate issued. See Section III. H. for rules on naming horses. See Section XI. for Fees.

SECTION XI. FEES

First Change of Registered Name or Change back to Original Registered Name \$250.00

Third Change of Registered Name \$500.00

Fourth Change of Registered Name
\$1,000.00

(Allowed four times)

(effective 11/1/14)

SECTION IX. REGISTERED FARM NAMES

Exclusive use of a farm name for the purpose of using the entire farm name or an approved portion of the name as a prefix for a horse's registered name may be granted upon submitting the proper application with the required fee provided the following conditions are met:

1. Use of the farm name selected has not already been exclusively granted;
2. The name applied for is not one to be considered in the public domain, such as "American," "Beauty," etc., and
3. Payment of a fee has been made for the registration of the farm name. See Section XI. regarding Fees. Note: When a farm is sold, exclusive use of its registered name does not automatically pass to the purchaser. Written release of the registered farm name must be submitted to the Registry office by the person to whom exclusive use was originally granted. Application for exclusive use of that farm name must then be made by the purchaser at the initial registration fee. Once a farm name has been registered, the Registry will recognize no other user except the registrant.
4. If a horse's name includes a registered farm name, written permission from the owner(s) or authorized agent(s) of the farm is required to remove a registered farm name as a prefix from the horse's registered name. Otherwise the horse's name may be changed but the registered farm name will remain as a prefix as part of the name.
5. Such other information requested by the Registry is provided.
