

# STATEMENT OF SIGNATURE AUTHORITY

This form may be used to grant authority to execute Registry of the American Saddlebred Horse and Breeders Association (ASHBA) documents and forms on behalf of the grantor(s) of the Authority.

When a horse is to be registered in the name of limited liability company, corporation, partnership or other entity rather than the name of an individual, a "Statement of Signature Authority" form must be filed with the Registry of the ASHBA showing the name(s) and signature(s) of all persons authorized to sign business transactions for that entity and the grantor(s) or their heirs or assigns of such signature authority.

Please indicate whether one or all of the signatures below are required in connection with the Registry of the ASHBA transactions. A sample of each person's signature must be shown on the Statement of Signature Authority.

The signature authority of an individual on a Statement of Signature Authority may be revoked only by a written statement of revocation signed by all of the grantor(s) or their heirs or assigns of the signature authority and filed with the Registry of the ASHBA. The revocation may revoke the authority of one or more, or all of the persons granted signature authority. Adding new or additional persons with signature authority requires the execution of a new Statement of Signature Authority executed by all of the grantor(s) or their heirs or assigns. The removal of one or more of the grantor(s) or their heirs or assigns from a Statement of Signature Authority or the addition of grantor(s) or their heirs or assigns to a Statement of Signature Authority requires the signature of all of the grantor(s) or their heirs or assigns listed on the Statement of Signature Authority currently on file with the Registry of the ASHBA. Each time a written statement of revocation of the signature authority for an entity is filed, such statement must be accompanied by a "Certificate of Service" form (in the form prescribed by the Registry of the ASHBA), signed by all of the grantor(s) or their heirs or assigns. Authority to sign on behalf of an entity may be granted retroactively, but may not be cancelled retroactively. Effective January 1, 2014, the Registry of the ASHBA may only process transactions for entities with an updated Statement of Signature Authority form on file that contains a signed grantor(s) of signature authority signature block.
