

The mission of the ASHBA is to promote and protect the American Saddlebred Horse with the highest standards of integrity and guarantee the purity of the breed through the recording of pedigrees and the transfer of ownership of the American Saddlebred Horse.

National Futurities Committee

Definition

The National Futurities Committee evaluates current rules for entry and showing in American Saddlebred Horse and Breeders Association (ASHBA) administered futurities and makes recommendations for needed changes. Members of this committee are appointed by the Registry Council and are accountable to the Registry Council. This is a standing Registry Council committee per the ASHBA bylaws.

Following are the primary responsibilities of the committee:

1. Evaluates current rules for entry and showing in ASBHA administered futurities
2. Review and recommend rule changes

Meetings

The National Futurities Committee meets on an as needed basis.

2022 Objectives

- Evaluate impact of changes implemented in 2021
- Evaluate current rules for entry and showing in ASHBA administered futurities
- Review and recommend rule changes
- Expand Marketing of the National Futurities
