

REGISTERED FARM NAMES

SECTION IV. CERTIFICATE CHANGES & REPLACEMENTS

A. CHANGE OF NAME

The name of a registered horse may be changed no more than four (4) times during the lifetime of that horse provided that:

1. No foals have been registered from the horse in question, whether it be a mare or a stallion.
2. The horse has not been designated as a Saddlebred Record Champion.
3. If the horse's name includes a registered farm name, written permission from the owner or authorized agent of the farm is required to remove a registered farm name as a prefix from the horse's registered name. Otherwise, the horse's name may be changed but the registered farm name will remain as a prefix as part of the name. **See Section IX. Registered Farm Names.**

The original Certificate of Registration must be submitted along with the name change request and correct fee. The old certificate will be cancelled and retained by the Registry and a new certificate issued. The new name must meet the criteria described in **Section III.H. Names.**

SECTION IX. REGISTERED FARM NAMES

Exclusive use of a farm name for the purpose of using the entire farm name or an approved portion of the name as a prefix for a horse's registered name may be granted upon submitting the proper application with the required fee provided the following conditions are met:

- A. Use of the farm name selected has not already been exclusively granted;
- B. The name applied for is not one to be considered in the public domain, such as "American," "Beauty," etc., and
- C. Payment of a fee has been made for the registration of the farm name. Note: When a farm is sold, exclusive use of its registered name does not automatically pass to the purchaser. Written transfer or release of the registered farm name must be submitted to the Registry office by the person to whom exclusive use was originally granted. Application for exclusive use of that farm name must then be made by the purchaser together with the initial registration fee. Once a farm name has been registered, the Registry will recognize no other user except the registrant.
- D. If a horse's name includes a registered farm name, written permission from the owner or authorized agent of the farm is required to remove a registered farm name as a prefix from the horse's registered name. Otherwise, the horse's name may be changed but the registered farm name will remain as a prefix as part of the name.
- E. Such other information requested by the Registry is provided.
